

Lever-lid cans

If anyone CAN - we CAN!

Lever-lid cans

Lever-lid cans - the perfect metal packaging for chemical and technical products

The benefits of lever-lid cans „made by Pirlo“ at a glance:

- The perfect metal packaging for paints and varnishes
- The special ring design ensures product residue will not cause the lid to get stuck
- Optimum packaging for reserved samples due to its excellent sealing properties
- StaCan: stackable lever-lid can with excellent sealing properties

Our experts will be happy to help you with any questions you may have pertaining to lever-lid cans. Special sizes are possible on request.

Legend

- = Standard (samples available)
